Citrus5巻を読んでもうおめでとうございます!!
Hello! Sasurouts here!

This time, thank you for picking up Citrus Extra 5! It's been half a year since Yau and Mei became sisters. They've become 2nd Year! Sort of awkward. But sort of slow. (seriously) These two are finally able to have a conversation (although late) From here on out, I hope everyone has fun this summer.

Whether that be Hanxin, Matsuri, or
even the swiftest Yiu Mei duo | an fortunate toward your continued enjoyment.
Once again, here's to the pair's happy future!

thank you very much for reading so far!

I DON'T
WANT TO

AH...
 IF YOU'RE
 INTERESTED,
 THEN WHY
 DON'T WE...

Special thanks!!
